

## HALIFAX CAMPUS

### UPDATE: Family Outdoor Visiting

We are pleased to announce that we are now able to book outdoor family visits for the residents' extended family and friends. Visits will continue to take place outdoors in our courtyard and are booked with three families at a time.

Beginning Monday June 29, you can call to book an appointment at 902-943-0447. The appointment line will be staffed from Monday through Friday, from 8:30 AM to 4:30 PM. Please leave a message and your call will be returned within 48 hours. The resident will be booked for one 30 minute visit per week. At this time, we are not able to book recurring visits (eg. Every Friday).

The following Public Health guidelines are still in place:

- Visitor will be prescreened at the time of booking the appointment
- No children under the age of 16 are allowed to visit
- No dogs allowed
- Everyone must wear a mask
- Physical distancing must be maintained
- You may not bring anything with you for the resident or yourself during your visit (ie: snacks, coffee/tea, etc).

Thank you for your patience. We will continue to re-evaluate as the directions from Public Health changes.

## RESIDENT NON-PERISHABLE DROP-OFFS

If you wish to drop something off to the resident you can do so from 8 AM to 8 PM, seven days per week at the Centre Desk Entrance on 2615 Northwood Terrace. The items need to be non-perishable as they are going to be quarantined for 72 hours and then delivered to the resident.
