

Improving Job Performance & Engagment Through Organizational & Employee Level Programs – Able Program – Phase I & II

NOVEMBER 2011 (PHASE II) & SEPTEMBER 2009 (PHASE I)

Principle Investigator(s): Dr. Arla Day, Professor & Research Chair, Saint Mary's University & Dr. Lori Francis, Professor, Saint Mary's University

Internal Liaison: Shelley James, Manager, Organizational Health & Safety

Objective: To validate the ABLE program in terms of its ability to improve employee outcomes, such as work-life balance and wellbeing, as well as organizational indicators.
